Re: Digitized Signatures

Dear Mr. Weiss:

On May 3, 2004, the Electronic Filing Committee met and approved your plan for the use of digitized signatures in court records. Therefore, you are authorized to proceed with your project for county civil.

Based upon discussions at the meeting, Ms. Jannet Lewis stated this is a "blanket" proposal for use of digitized signature in all divisions with the exception of criminal. She stated that the criminal system would be utilizing a different system, therefore another request would be forthcoming at the appropriate time.
